of all the states of the middle east and north africa libya has long been the country about which the least is known it is only in recent times that scholars and the general public alike have begun to appreciate the complexity of libya s turbulent history including the recent february 17th revolution in 2011 when protests broke out throughout libya demanding better living conditions and more job opportunities when the qaddafi regime responded with force killing scores of unarmed civilians the protesters called for regime change in what came to be known as the february 17th revolution the qaddafi regime was overthrown and qaddafi was killed in october 2011 in july 2012 the libyan people elected a general national congress charged with overseeing the drafting of a new constitution and the election of a national government this fifth edition of historical dictionary of libya covers its history through a chronology an introductory essay appendixes and an extensive bibliography the dictionary section has over 400 cross referenced entries on important personalities politics economy society conflicts and the culture of libya this book is an excellent access point for students researchers and anyone wanting to know more about libya

having achieved its independence from france in 1960 chad has run into a serious crises of national building which have continued to haunt it to the present day making it one of the poorest and most politically unstable countries on the globe chad is a country with sharp geographic and climatic contrasts that puzzle and fascinate the visitor displaying first a monotonous but majestic portion of the saharan desert in the north punctuated by plains and high altitudes displayed by the tibesti mountains where the highest point emi koussi reaches 11 204 ft the middle central sahelian zone where pastoral transhumance lifestyle predominates but where and nut cultivation and harvesting is possible and an endowed southern tropical zone where the forest and the savanna meet blessed by several long running rivers most notably the logone and the chari that empty their waters into centuries old lake chad even though things in chad seem to have improved during the past 10 years most observers agree that the path to peace reconstruction and economic progress is still long and arduous this fourth edition of historical dictionary of chad contains a chronology an introduction appendixes and an extensive bibliography the dictionary section has over 1300 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent resource for students researchers and anyone wanting to know more about chad

the fourth edition of the historical dictionary of republic of the congo provides a comprehensive set of references on the country's history politics economics and culture it traces the careers of the country's leading personalities into the era following the democratic experiment of the 1990s it updates the country's social economic and political evolution through the first decade of the 21st century clark and decalo provide a snapshot of the republic of the congo through a chronology an introductory essay appendixes an extensive bibliography and the dictionary section of over 700 cross referenced entries on important personalities leading political figures institutions economic enterprises ethnic communities and cultural features it provides information on many aspects of congolese society culture and society not available on any web based source or in any other publication it is an excellent access point for students researchers and anyone wanting to know more about the republic of the congo

burkina faso known as upper volta until its independence from france in 1960 and locally called the land of the upright people is a medium sized land locked country with no less than six neighbors some of which periodically get into trouble which makes it reasonably strategic in some ways while it has not done as poorly as some other african states its economic has certainly not prospered and many burkinabe go abroad to earn a living as for politics it is another case of stability without democracy even if there are periodic elections still this is better than not even having stability this third edition of historical dictionary of burkina faso covers its history through a chronology an introductory essay maps appendixes and an extensive bibliography the dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture this book is an excellent access point for students researchers and anyone wanting to know more about burkina faso

studying for licensure examinations is like eating a twelve course meal if you try and do it in five minutes it will make you sick as you prepare pace yourself don't memorize but review and most importantly a few days before the examination try and get some rest i don't think i've ever heard of a soul who looked forward to this examination and i can assure you no one has ever walked out saying what a wonderful experience think of this ordeal as a rite of passage and try to remember that most of you will make it through i'd like to thank dr ron krug for his continued support and guidance not only in the preparation of this text but through the years additional thanks to dr rita claudet for continued suggestions and editing of this text good luck in your studies and remember what winston churchill said never never never give up jeffrey g hirsch m d
